PRESIDENT'S REPORT: Jennifer Campbell

Jennifer thanked everyone for attending.

Mr. Thomas was nominated by parents of Westfield for First Year Principal of the Year award. He was not selected, however he was the first runner up, and we are proud he was considered.

It is time to begin to form a nominating committee to select officers for the PTSA executive board. More information to follow.

Traffic at the school, continues to be an issue. The suggestion has been made to allow right turns only in the morning and at dismissal.

The Barnes and Noble book fair held the weekend of December 7th was successful. We earned \$584.

There will be a meeting, next month, of the PTSA, Mr. Thomas and the Athletic Boosters to discuss the bike path issue.

Jennifer reported a boundary update. The last meeting was held December 19th. For additional information as it is provided, please see the Fairfax County Schools website.

ADJOURNMENT: Meeting adjourned at 8:45 PM.

Respectively submitted,
Mary Coleman
Recording Secretary
